

Litchard Tool Hire Ltd acknowledges the importance of supplying Tool Hire services of a consistent and high standard within an environmentally viable framework and is committed to conducting all of its company operations in an environmental responsibly manner.

Litchard Tool Hire Ltd will comply with all current Government legislation and regulations that apply to its activities.

To this end Litchard Tool Hire Ltd recognises that there are many steps that it can take to continuously improve its environmental performance and thereby reduce or prevent damage to the environment. These steps can also add value to our business and make a positive contribution to the success of the company.

The company is committed to preventing pollution and aims to minimise the environmental impact of its activities by:

1. Working closely with clients, statutory authorities and local communities
2. Minimising noise
3. Preventing pollution of water
4. Minimising waste and reusing or recycling materials
5. Disposing of waste responsibly
6. Protecting wildlife and habitats
7. Protecting archaeological remains and sites of historical importance.

It is our policy and more importantly commitment to:

- Foster a sense of responsibility for the environment amongst employees by the provision of information and training.
- Assess, monitor and where possible reduce the impact of our activities on the local and general environment.
- Take account of the environmental impact of all raw materials, packaging and processes and wherever possible take steps to minimise this through strategic evaluation and planning.
- Monitor objectives and targets; identify deviations from the stated policy and implement appropriate corrective action.
- Strive to continually improve our environmental performance and maintain effective systems to prevent pollution.
- Advise customers and other interested parties where appropriate on the best environmental practices associated with the delivery of our services.
- Ensure that all members of staff and our suppliers act in accordance with this policy.
- Influence our employees, suppliers, customers, and other stakeholders to adopt and embrace environmental improvement measures (such as car sharing, video conferencing, etc.).
- Comply with all relevant Environmental Legislation.
- Review and update this policy on an annual basis.
